## ANNUAL PARISH MEETING 2006.

### Chairman's Report

The Annual Parish Meeting was held at Shalfleet CE Primary School on Thursday 4<sup>th</sup> May, the Chairman of the Parish Council Cllr. Colin Hedgley presided and presented a report on the activity of the Council during the past year. In his report Colin Hedgley praised the hard work carried out by fellow councillors and the Clerk over the past 12 months. He mentioned routine tasks such as grass cutting in amenity areas, planning application scrutiny, and waste management services often taken for granted or wrongly attributed to the Isle of Wight Council. The Chairman's report also mentioned the fact that the major project of regenerating the Newbridge Playground had attracted minor Lottery funding and generous donations from local residents. In conclusion the Chairman advised that this year the Parish Council has granted free use of the Bouldnor Sports Field to the Old Gaffers Festival for a temporary "Park & Ride" car park.
